Need your replacement CEUs or diplomas? Info changed on your grad listing? Here's the skinny.

REPLACEMENT FEES

CEUS

Please make copies of your credit hour certificate for your records to submit to various boards for renewal. If you lose your completion of hours or your diploma, we have a replacement policy in place to provide you with additional copies. There is a \$10 fee for each CE hour certificates. That price includes postage. Need CEUs ASAP? We can send a PDF to your email. The same fees apply.

DIPLOMAS

Your initial certification diploma is included in the cost of your \$25 certification for Barefoot Basics and Advanced Ashiatsu. If you need a replacement, the charge is \$15, and that includes postage.

LISTING ON OUR GRAD PAGE DEEPFEET.COM

The initial listing fee of \$100 after you are certified gives you up to 5 lines on our site. It's a great way to have new clients find you!

Should you need to change your information, the change fee is \$25. There is never a renewal fee.
